Sec. 21. 1. A license issued pursuant to this chapter expires on December 31 of each year following its issuance, unless renewed or earlier surrendered, suspended or revoked pursuant to this chapter.

2. A licensee may renew a license issued pursuant to section 19 of this act by filing with the Commissioner an application containing the documents and fees set forth in section 16 of this act for an initial license. Such a renewal application shall be deemed to be timely filed if filed on or before November 1 of the year in which the license expires. Any renewal application filed with the Commissioner after November 1 must be accompanied by a late fee of \$100 and, if so, such a filing also shall be deemed to be timely filed. If an application for renewal of a license is timely filed with the Commissioner pursuant to this subsection on or before the date the license expires, the license sought to be renewed continues in full force and effect until the issuance by the Commissioner of the renewed license or until the Commissioner notifies the licensee in writing of the Commissioner’s refusal to issue a renewed license together with the grounds upon which such refusal is based. The Commissioner may refuse to issue a renewed license on any ground on which the Commissioner may refuse to issue an initial license.

3. A licensee may renew a license issued pursuant to section 20 of this act by filing with the Commissioner, before the expiration of the license, an application containing any documents and fees required pursuant to section 20 for an initial license.

4. Annually, on or before April 15, each licensee shall file with the Commissioner and the Nationwide Multistate Licensing System and Registry a report of operations of the licensed business for the immediately preceding calendar year under oath and on a form prescribed by the Commissioner.

Sec. 22. 1. Not later than 15 days after a licensee ceases to engage in the business of student loan servicing in this State for any reason, including, without limitation, a business decision to terminate operations in this State, license revocation, bankruptcy or voluntary dissolution, the licensee shall provide written notice of surrender to the Commissioner and shall surrender to the Commissioner its license for each location in which the licensee has ceased to engage in such business.

2. A written notice of surrender provided pursuant to subsection 1 must identify the location where the records of the licensee will be stored and the name, address and telephone number of a natural person authorized to provide access to the records.

3. The surrender of a license does not reduce or eliminate the licensee's civil or criminal liability arising from acts or omissions occurring before the surrender of the license, including, without limitation, any administrative actions undertaken by the Commissioner to revoke or suspend a license, assess a civil penalty, order restitution or exercise any other authority provided to the Commissioner.

Sec. 23. *If the Commissioner determines that a check or other method of payment which is provided to the Commissioner to pay any fee required pursuant to this chapter has been returned to the Commissioner or otherwise dishonored because the person had insufficient money or credit with the drawee or financial institution to pay the check or other method of payment or because the person stopped payment on the check or other method of payment, the Commissioner shall automatically refuse to issue, suspend or refuse to renew the license, as applicable. The Commissioner must give the licensee reasonable advance notice of this automatic action and an opportunity for a hearing.*

Sec. 24. *A licensee or an applicant for a license shall notify the Commissioner, in writing, of any change in the information provided in the initial application for a license or the most recent application for renewal of such a license, as applicable, not later than 10 business days after the occurrence of the event that results in such information becoming inaccurate.*

Sec. 25. *The Commissioner may deem an application for a license abandoned if the applicant fails to respond to any request for information required pursuant to this chapter or any regulations adopted pursuant thereto. The Commissioner shall notify the applicant, in writing, that if the applicant fails to submit such information not later than 60 days after the date on which such a request for information was made, the application shall be deemed abandoned. Any fees paid before the date an application is deemed abandoned pursuant to this section must not be refunded. Abandonment of an application pursuant to this section does not preclude the applicant from submitting a new application for a license pursuant to this chapter.*

Sec. 26. *A licensee shall not act as a student loan servicer or engage in student loan servicing under any other name or at any*

other place of business than that identified in the license. The licensee must notify the Commissioner in advance of any change of location of a place of business of the licensee. Only one place of business may be maintained under one license, but the Commissioner may issue more than one license to the same licensee upon the licensee's application for a license for each place of business. A license is not transferable or assignable.

Sec. 27. 1. *Except to the extent inconsistent with federal law or regulation, a student loan servicer shall:*

(a) Respond to any written inquiry from a student loan borrower or the representative of a student loan borrower by:

(1) Acknowledging receipt of the inquiry within 10 business days; and

(2) Providing information relating to the inquiry, and, if applicable, the action the student loan servicer will take to correct the account or an explanation of the student loan servicer's position that the student loan borrower's account is correct, within 30 business days.

(b) Inquire of a student loan borrower how to apply an overpayment to a student education loan. A student loan borrower's instruction on how to apply an overpayment to a student education loan must stay in effect for any future overpayments during the term of the student education loan unless the student loan borrower provides different instructions. For the purposes of this paragraph, "overpayment" means a payment on a student education loan that is in excess of the monthly amount due from the student loan borrower on the student education loan, commonly referred to as a prepayment.

(c) Apply a partial payment from a student loan borrower on a student education loan in a manner that minimizes late fees and negative credit reporting. If there are multiple loans on a student loan borrower's account at an equal stage of delinquency, a student loan servicer shall satisfy the requirements of this subsection by applying the partial payment to satisfy as many individual loan payments as possible on the student loan borrower's account. For purposes of this subsection, "partial payment" means a payment to a student education loan account that contains multiple individual loans if the payment is in an amount less than the amount necessary to satisfy the outstanding payment due on all loans in the student education loan account, commonly referred to as an underpayment.

2. *If the sale, assignment or other transfer of the servicing of a student education loan results in a change in the identity of the*

person to whom a student loan borrower is required to send payments or direct any communication concerning the student education loan:

(a) As a condition of a sale, an assignment or any other transfer of the servicing of a student education loan, require the new student loan servicer to honor all benefits originally represented as available to the student loan borrower during the repayment of the student education loan and preserve the availability of those benefits, including, without limitation, any benefits for which the student loan borrower has not yet qualified;

(b) Transfer to the new student loan servicer for the student education loan all information regarding the student loan borrower, the account of the student loan borrower and the student education loan of the student loan borrower. The information must include, without limitation, the repayment status of the student loan borrower and any benefits associated with the student education loan of the student loan borrower; and

(c) Complete the transfer of information required by paragraph (b) within 45 calendar days after the sale, assignment or other transfer of the servicing of the student education loan.

3. A student loan servicer who obtains the right to service a student education loan shall adopt policies and procedures to verify that the student loan servicer has received all information regarding the student loan borrower, the account of the student loan borrower and the student education loan of the student loan borrower including, without limitation, the repayment status of the student loan borrower and any benefits associated with the student education loan of the student loan borrower.

4. A student loan servicer shall evaluate a student loan borrower for eligibility for an income-driven repayment program before placing the student loan borrower in forbearance or default if an income-driven repayment program is available to the student loan borrower.

Sec. 28. *1. Except to the extent inconsistent with federal law or regulation, a student loan servicer shall maintain a record of each transaction relating to a student education loan for not less than 2 years following the final payment on the student education loan or the assignment of the student education loan, whichever occurs first, or such longer period as may be required by any other provision of law.*

2. Upon the request of the Commissioner, a person required to maintain records pursuant to subsection 1 shall make such records available to the Commissioner, or send the records to the

Commissioner, in the manner required by the Commissioner, not later than 5 business days after requested by the Commissioner. Upon the person's request, the Commissioner may allow additional time to make the records available to the Commissioner or to send the records to the Commissioner.

Sec. 29. *A student loan servicer shall not:*

1. Directly or indirectly employ any scheme, device or artifice to defraud or mislead a student loan borrower.

2. Engage in any unfair or deceptive practice toward any person or misrepresent or omit any material information in connection with the servicing of a student education loan, including, without limitation, misrepresenting the amount, nature or terms of any fee or payment due or claimed to be due on a student education loan, the terms and conditions of the loan agreement or the student loan borrower's obligations under the loan.

3. Obtain property by fraud or misrepresentation.

4. Misapply student education loan payments to the outstanding balance of a student education loan.

5. Provide inaccurate information to a credit bureau in a manner which may harm a student loan borrower's creditworthiness.

6. Fail to report both the favorable and unfavorable payment history of the student loan borrower to a nationally recognized consumer credit bureau at least annually if the student loan servicer regularly reports information to a credit bureau.

7. Refuse to communicate with an authorized representative of the student loan borrower if the authorized representative:

(a) Provides a written authorization signed by the student loan borrower; and

(b) Complies with any reasonable procedures which may be adopted by the student loan servicer to verify that the representative is in fact authorized to act on behalf of the student loan borrower.

8. Make any false statement or omission of a material fact in connection with any information or reports filed with a governmental agency or in connection with any investigation conducted by the Commissioner or another governmental agency.

9. Fail to respond within 15 business days to communications from the Commissioner, or within a shorter, reasonable period of time as may be requested by the Commissioner.

10. Fail to respond within 15 business days to a consumer complaint submitted to the student loan servicer by the

Commissioner or the Office of the Attorney General. If necessary, the student loan servicer may request additional time to respond to the complaint, up to a maximum of 45 business days, provided that the request is accompanied by an explanation of why additional time is reasonable and necessary.

11. Engage in abusive acts or practices when servicing a student education loan in this State. An act or practice is abusive in connection with the servicing of a student education loan if that act or practice:

(a) Materially interferes with the ability of a student loan borrower to understand a term or condition of a student education loan; or

(b) Takes unreasonable advantage of any of the following:

(1) A lack of understanding on the part of a student loan borrower of the material risks, costs or conditions of the student education loan;

(2) The inability of a student loan borrower to protect the interests of the student loan borrower when selecting or using a student education loan or feature, term or condition of a student education loan; or

(3) The reasonable reliance by the student loan borrower on a person engaged in servicing a student education loan to act in the interests of the student loan borrower.

Sec. 30. *1. The Student Loan Ombudsman designated pursuant to NRS 226.560 or a member of the public may submit a complaint concerning a student loan servicer to the Commissioner for investigation pursuant to section 38 of this act.*

2. The Division of Financial Institutions shall share a complaint submitted pursuant to this section with the Office of the Attorney General in accordance with section 54 of this act.

Sec. 31. *1. Before the extension of a private education loan that requires a cosigner, a private education lender shall deliver to the cosigner information concerning, without limitation:*

(a) How the private education loan obligation will appear on the cosigner's credit;

(b) How the cosigner will be notified if the private education loan becomes delinquent;

(c) How the cosigner can cure a delinquency in order to avoid negative credit furnishing and loss of cosigner release eligibility; and

(d) The eligibility of the cosigner to be released from his or her obligation on the private education loan, including, without limitation, the number of on-time payments and any other criteria

required to approve the release of the cosigner from his or her obligation on the private education loan.

2. For any private education loan that obligates a cosigner, a private education lender shall provide the private education loan borrower and the cosigner an annual written notice containing information about the release of the cosigner from his or her obligation on the private education loan, including, without limitation:

(a) Any administrative, non-judgmental criteria the private education lender requires to approve the release of the cosigner from the private education loan obligation; and

(b) The process for applying for cosigner release.

3. If the private education loan borrower has met the applicable payment requirements to be eligible for cosigner release, the private education lender shall send the private education loan borrower and the cosigner a written notification by mail and by electronic mail, if the private education loan borrower or cosigner has elected to receive electronic communications from the private education lender, informing the private education loan borrower and cosigner that the payment requirement to be eligible for cosigner release has been met. The notification must also include information about any additional criteria to qualify for cosigner release and the procedure to apply for cosigner release.

4. A private education lender shall provide written notice to a private education loan borrower who applies for cosigner release but whose application is incomplete. The written notice shall include a description of the information needed to consider the application complete and the date by which the applicant must furnish the missing information.

5. Within 30 days after a private education loan borrower submits a completed application for cosigner release, the private education lender shall send the private education loan borrower and cosigner a written notice that informs the private education loan borrower and cosigner whether the cosigner release application has been approved or denied. If the private education lender denies a request for cosigner release, the private education loan borrower may request any documents or information used in the determination, including, without limitation, the credit score threshold used by the private education lender, the private education loan borrower's consumer credit report, the private education loan borrower's credit score and any other documents specific to the private education loan borrower. The private education lender shall also provide any notices of adverse action

required under applicable federal law if the denial is based in whole or in part on any information contained in a consumer credit report.

6. In response to a written or oral request for cosigner release, a private education lender shall provide the information described in subsection 2.

7. A private education lender shall not impose any restriction that permanently bars a private education loan borrower from qualifying for cosigner release, including, without limitation, restricting the number of times a private education loan borrower may apply for cosigner release.

8. A private education lender shall not impose any negative consequences on any private education loan borrower or cosigner during the 60 days following the issuance of the notice provided pursuant to subsection 4 or until the private education lender makes a final determination about a private education loan borrower's cosigner application for release. For the purposes of this subsection, "negative consequences" includes, without limitation, the imposition of additional eligibility criteria, negative credit reporting, lost eligibility for cosigner release, late fees, interest capitalization or other financial injury.

9. For any private education loan made on or after January 1, 2024, a private education lender shall not require more than 12 consecutive, on-time payments as criteria for cosigner release. Any private education loan borrower who has paid the equivalent of 12 months of principal and interest payments within any 12-month period shall be deemed to have satisfied the consecutive, on-time payment requirement, even if the private education loan borrower has not made payments monthly during the 12-month period.

10. If a private education loan borrower or cosigner requests a change in terms that restarts the count of consecutive, on-time payments required for cosigner release, the private education lender shall notify the private education loan borrower and cosigner in writing of the impact of the change and provide the private education loan borrower or cosigner the right to withdraw or reverse the request to avoid that impact.

11. A private education loan borrower has the right to request an appeal of a private education lender's determination to deny a request for cosigner release, and the private education lender shall permit the private education loan borrower to submit additional documentation evidencing the private education loan borrower's ability, willingness and stability to meet the payment obligations.

The private education loan borrower may request review of the determination made regarding cosigner release by another employee of the private education lender.

12. A private education lender shall establish and maintain a comprehensive record management system reasonably designed to ensure the accuracy, integrity and completeness of data and other information about cosigner release applications and to ensure compliance with applicable state and federal laws, including, without limitation, the federal Equal Credit Opportunity Act, 15 U.S.C. §§ 1691 et seq., and the Fair Credit Reporting Act, 15 U.S.C. §§ 1681 et seq. This system must include the number of cosigner release applications received, the approval and denial rate and the primary reasons for any denial.

13. A private education lender shall provide a cosigner with access to all documents or records related to the cosigned private education loan that are available to the private education loan borrower.

14. If a private education lender provides electronic access to documents and records for a private education loan borrower, the private education lender shall provide equivalent electronic access to the cosigner.

Sec. 32. *1. A private education loan made on or after January 1, 2024, may not include a provision that allows the private education lender to accelerate, in whole or in part, payments on the private education loan, except in cases of payment default. A private education lender shall not place any loan or account into default or accelerate a loan for any reason, other than for payment default.*

2. A private education loan made before January 1, 2024, may permit the private education lender to accelerate payments only if the promissory note or loan agreement explicitly authorizes an acceleration and only for the reasons stated in the note or agreement.

3. In the event of the death or bankruptcy of a cosigner:

(a) The private education lender must not attempt to collect against the cosigner's estate or bankruptcy estate, other than for payment default.

(b) Upon receiving notification of the death or bankruptcy of a cosigner, when the private education loan is not more than 60 days delinquent at the time of the notification, the private education lender shall not change any terms or benefits under the promissory note, repayment schedule, repayment terms or monthly payment amount or any other provision associated with the loan.

4. A private education lender shall not place any private education loan or account into default or accelerate a private education loan while a private education loan borrower is seeking a loan modification or enrollment in a flexible repayment plan, except that a private education lender may place a loan or account into default or accelerate a loan for payment default 90 days following the private education loan borrower's default.

Sec. 33. 1. A private education lender, when notified of the total and permanent disability of a private education loan borrower or cosigner, shall release any cosigner from the obligations of the cosigner under a private education loan. The private education lender shall not attempt to collect a payment from a cosigner following a notification of total and permanent disability of the private education loan borrower or cosigner.

2. A private education lender shall notify a private education loan borrower and cosigner for a private education loan if either a private education loan borrower or cosigner is released from the obligations of the private education loan under this section, within 30 days after the release.

3. A private education lender that extends a private education loan shall provide the private education loan borrower an option to designate an individual to have the legal authority to act on behalf of the private education loan borrower with respect to the loan in the event of the total and permanent disability of the private education loan borrower.

4. If a cosigner is released from the obligations of a private education loan pursuant to section 31 of this act, the private education lender shall not:

(a) Require the private education loan borrower to obtain another cosigner on the private education loan obligation.

(b) Declare a default or accelerate the debt against the private education loan borrower on the sole basis of the release of the cosigner from the private education loan obligation.

5. A private education lender, if notified of the total and permanent disability of a private education loan borrower:

(a) Shall discharge the liability of the private education loan borrower and cosigner on the private education loan; and

(b) Shall not:

(1) Attempt to collect on the outstanding liability of the private education loan borrower or cosigner; or

(2) Monitor the disability status of the private education loan borrower at any point after the date of discharge.

6. As used in this section, “total and permanent disability” means that a person:

(a) Has been determined by the United States Secretary of Veterans Affairs to be unemployable due to a service-connected disability; or

(b) Is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death, has lasted for a continuous period of not less than 12 months or can be expected to last for a continuous period of not less than 12 months.

Sec. 34. 1. A private education lender shall, before offering a person a private education loan that is being used to refinance an existing private education loan, provide to the person a disclosure that informs the person that benefits and protections applicable to the existing private education loan may be lost due to the refinancing. The information must be provided on a one-page information sheet in at least 12-point font and must be written in simple, clear, understandable and easily readable language.

2. If a private education lender offers any private education loan borrower flexible repayment options in connection with a private education loan, those flexible repayment options must be made available to all private education loan borrowers of loans by the private education lender. A private education lender shall:

(a) Provide on its Internet website a description of any flexible repayment options offered by the private education lender for private education loans;

(b) Establish and consistently implement policies and procedures that facilitate the evaluation of private education loan flexible repayment option requests, including, without limitation, policies and procedures that provide accurate information regarding any private education loan flexible repayment option that:

(1) May be available to the private education loan borrower through the promissory note; or

(2) May have been marketed to the private education loan borrower through marketing materials; and

(c) If the private education lender offers flexible repayment options, consistently present and offer similar options to private education loan borrowers with similar financial circumstances; and

(d) Annually issue a letter to the private education loan borrower and cosigner that sets forth, without limitation:

(1) *The total cumulative principal and interest amount of all private education loans owed by the private education loan borrower or cosigner to the private education lender;*

(2) *The total payoff amount of the loans listed in subparagraph (1); and*

(3) *Estimated monthly payment amounts if the private education loan borrower or cosigner were to enroll in a flexible repayment plan offered by the private education lender.*

Sec. 35. *A private education lender shall not:*

2. *Engage in any unfair, deceptive or abusive act or practice.*

3. *Make a private education loan upon the security of any assignment of or order for the payment of any salary, wages, commissions or other compensation for services earned, or to be earned. No assignment or order to secure a private education loan may be taken by a private education lender in connection with a private education loan, or for the enforcement or repayment thereof. Any assignment or order taken or given to secure any loan made by any lender pursuant to sections 31 to 35, inclusive, of this act is void.*

4. *Make, advertise, print, display, publish, distribute, electronically transmit, telecast or broadcast in any manner any statement or representation that is false, misleading or deceptive.*

Sec. 36. *A private education lender shall:*

1. *Establish and maintain records and permit the Division of Financial Institutions to access and copy any records required to be maintained pursuant to the provisions of this chapter; and*

2. *Retain a loan file, including, without limitation, any record specified for retention by regulations adopted by the Commissioner, for not less than 6 years after the termination of the private education loan account.*

Sec. 37. *Sections 31 to 37, inclusive, of this act do not exempt a private education lender from complying with any requirement to obtain a license imposed by any other specific statute, including, without limitation, the provisions of chapter 675 of NRS. The Commissioner shall determine the particular license that a private education lender is required to obtain.*

Sec. 38. *In addition to any other authority provided under this title, the Commissioner may conduct investigations and examinations as follows:*

1. For purposes of initial licensing, license renewal, license suspension, license revocation or termination or general or specific inquiry or investigation to determine compliance with this chapter, the Commissioner may access, receive and use any books, accounts, records, files, documents, information or evidence, including, without limitation:

(a) Criminal, civil and administrative history information;

2. For the purposes of investigating violations or complaints arising under this chapter or for the purposes of examination, the Commissioner may review, investigate or examine any student loan servicer or other person subject to this chapter as often as necessary in order to carry out the purposes of this chapter. The Commissioner may direct, subpoena or order the attendance of and examine under oath any person whose testimony may be required regarding a student education loan, the business of a student loan servicer or the subject matter of any examination or investigation, and may direct, subpoena or order such a person to produce books, accounts, records, files and any other documents the Commissioner deems relevant to the inquiry.

3. In making any examination or investigation authorized by this section, the Commissioner may control access to any documents and records of a student loan servicer or other person under examination or investigation. The Commissioner may take possession of the documents and records or place a person in exclusive charge of the documents and records in the place where they are usually kept. During the period of control, a person shall not remove or attempt to remove any of the documents and records except pursuant to a court order or with the consent of the Commissioner. Unless the Commissioner has reasonable grounds to believe the documents or records of the student loan servicer or other person under examination or investigation have been, or are at risk of being, altered or destroyed for purposes of concealing a violation of this chapter, the student loan servicer, the other person under examination or investigation or the owner of the

documents and records must be allowed access to the documents or records as necessary to conduct ordinary business affairs.

4. At least once each year, the Commissioner or his or her authorized representative shall conduct an investigation and examination of each licensee pursuant to this section.

5. In addition to the fees prescribed in section 16 of this act, if it becomes necessary to examine or investigate the books and records of a licensee pursuant to this chapter, the licensee shall be liable for and shall pay to the Commissioner, within 30 days after the presentation of an itemized statement therefor, an amount determined by the Commissioner at the rate for supervision and examination of a financial institution established and, if applicable, adjusted pursuant to NRS 658.101.

Sec. 39. *Each licensee shall pay, in addition to any other assessment, fee or cost required pursuant to this chapter:*

Sec. 40. *1. The Commissioner may monitor the market for the provision of student loan servicing and student education loans, including, without limitation, private education loans, to identify risks to consumers. In conducting such monitoring, the Commissioner may compile and analyze data and other information to assess:*

(a) The likely risk and costs to consumers associated with using or repaying a student education loan or with the servicing of a student education loan;

(b) The understanding by consumers of the risks of a student education loan or the servicing of a student education loan;

(c) The legal protections applicable to the offering or provision of a student education loan or the servicing of a student education loan and the adequacy of those legal protections to protect consumers;

(d) The rates of growth in the offering or provision of a student education loan or the servicing of that loan;

(e) The extent, if any, to which the risks of a student education loan or the servicing of a student education loan disproportionately affect traditionally underserved consumers; and

(f) The type, number and other pertinent characteristics of private education lenders and student loan servicers in this State.

2. To the extent that state law is not preempted by federal law, in conducting monitoring or assessment pursuant to this section the Commissioner may gather information regarding the organization, business conduct, markets and activities of private education lenders and student loan servicers in this State. The Commissioner may enter into contracts to perform the activities authorized by this section, as necessary.

3. In order to gather information described in subsection 2, the Commissioner may:

(a) Gather and compile information from a variety of sources, including, without limitation, consumer complaints, voluntary surveys and voluntary interviews of consumers, surveys and interviews of private education lenders and student loan servicers and available databases; and

(b) Require persons engaged in private education lending or student loan servicing in this State to file, under oath or otherwise, in the form and within a reasonable period of time as the Commissioner may prescribe, any annual or special reports or answers in writing to specific questions that the Commissioner deems necessary to carry out the provisions of this section.

5. The Commissioner may, on a quarterly basis, develop and publicize metrics based on data collected pursuant to this section. Such metrics may include, without limitation, relevant performance metrics concerning specifically identified private education lenders and student loan servicers.

6. In conducting the activities authorized by this section, the Commissioner may meet and confer with the Student Loan Ombudsman, designated pursuant to NRS 226.560, the Office of the Attorney General and the Nevada System of Higher Education.

5. Accept audit reports made by an independent certified public accountant for a student loan servicer or other person under examination or investigation in the course of that part of the examination covering the same general subject matter as the audit and may incorporate the audit report in any report of examination, report of investigation or other writing of the Commissioner.

Sec. 42. *The authority of the Commissioner pursuant to this chapter with regard to a student loan servicer or other person under examination or investigation remains in effect, without regard to whether the student loan servicer or other person acts or claims to act under any other licensing or registration law of this State, or claims to act without such authority.*

Sec. 43. *A student loan servicer or other person under examination or investigation pursuant to this chapter shall not knowingly withhold, abstract, remove, mutilate, destroy or secrete any books, records, computer records or other information related to an investigation or examination conducted pursuant to this chapter.*

Sec. 44. *The Commissioner may, as applicable, deny an application for a license issued pursuant to this chapter or suspend, revoke or refuse to renew a license issued pursuant to this chapter if the Commissioner finds that:*

1. *The applicant, licensee or a control person of the applicant or licensee has violated any provision of this chapter or any regulation adopted pursuant thereto;*

2. *With regard to a licensee or a control person of the licensee, any fact or condition exists which, if it had existed at the time of the original application for the license, would have resulted in a denial of the application; or*

3. *The licensee has failed to pay, within 30 days after receiving an itemized statement or other demand for payment from the Commissioner, any assessment, fee or cost required pursuant to this chapter.*

Sec. 45. *All fees paid pursuant to this chapter are nonrefundable, including, without limitation, if a license is surrendered, revoked or suspended before the expiration of the period for which it was issued.*

Sec. 46. *A student loan servicer and private education lender shall comply with all applicable federal laws and regulations relating to student loan servicing or lending, including, without limitation, the Truth in Lending Act, 15 U.S.C. §§ 1601 et seq., and the regulations promulgated thereunder. In addition to any other remedies provided by law, a violation of any such federal law or regulation shall be deemed a violation of this chapter.*

Sec. 47. 1. *A person who suffers damage as a result of the failure of a student loan servicer or private education lender to comply with the provisions of this chapter may bring an action on his or her own behalf and on behalf of a similarly situated class of persons against that student loan servicer or private education lender to recover or obtain:*

(c) *Restitution of property;*

(d) *Punitive damages;*

(e) *Attorney's fees; and*

(f) *Any other relief that the court deems proper.*

2. *In addition to any other remedies provided by this section or otherwise provided by law, whenever it is proven by a preponderance of the evidence that a student loan servicer or private education lender has engaged in conduct that substantially interferes with a student loan borrower's right to a flexible payment arrangement, right to the forgiveness, cancellation or discharge of a loan or right to any other financial benefit, as established under the terms of a student loan borrower's*

promissory note or under the Higher Education Act of 1965, 20 U.S.C. §§ 1071 et seq., and the regulations promulgated thereunder, the court shall award treble actual damages to the plaintiff, but in no case may the total award of damages be less than \$1,500 per plaintiff, per violation.

Sec. 48. *1. A violation of any provision of this chapter may also be a violation of chapter 598B of NRS, the Nevada Equal Credit Opportunity Law.*

2. In addition to any other remedies provided by this section or otherwise provided by law, whenever it is proven by a preponderance of the evidence in a civil action that a person or entity that makes a student education loan, including, without limitation, a private education lender, has filed information required pursuant to this chapter that is false, the court shall award treble damages to the student loan borrower, including, without limitation, a private education loan borrower, but in no case may the total award of damages in action be less than \$1,500.

3. The rights, remedies and penalties provided by this chapter are cumulative and do not abrogate and are in addition to any other rights, remedies and penalties that may exist at law or in equity.

Sec. 49. *Except as otherwise provided in this section and NRS 239.0115, any books, records or other information obtained by the Division in connection with an application, complaint, audit, investigation or examination pursuant to this chapter, or in response to a subpoena, are confidential and may be disclosed only to:*

1. The Division, any authorized employee or representative of the Division and any state or federal agency investigating the activities covered under the provisions of this chapter; and

Sec. 51. *The Commissioner shall adopt any regulations necessary to carry out the provisions of this chapter.*

The total amount of all assessments collected must be reduced by any amounts collected by the Commissioner from an entity for the recovery of the costs of legal services provided by the Attorney General in a specific case.

3. The Commissioner shall collect from each entity identified in subsection 1 an assessment that is based on:

(a) A portion of the total amount of all assessments as determined pursuant to subsection 2, such that the assessment collected from an entity identified in subsection 1 shall bear the

same relation to the total amount of all assessments as the total assets of that entity bear to the total of all assets of all entities identified in subsection 1; or

(b) Any other reasonable basis adopted by the Commissioner.

4. The assessment required by this section is in addition to any other assessment, fee or cost required by law to be paid by an entity identified in subsection 1.

5. Money collected by the Commissioner pursuant to this section must be deposited in the State Treasury pursuant to the provisions of NRS 658.091.
