Approved Credit Counselor and Debt Specialist Certification Programs and Organizations

The Nevada Uniform Debt-Management Services Act requires that an applicant for registration provide evidence that, within 12 months after initial employment, each of the applicant's counselors becomes certified as a certified counselor or certified debt specialist. NRS 676A.320 (9).

A certified credit counselor is defined as an individual certified by a training program or certifying organization, approved by the Commissioner, which authenticates the competence of individuals providing education and assistance to other individuals in connection with debt-management services in which an agreement contemplates that creditors will reduce finance charges or fees for late payment, default or delinquency. NRS 676A.070.

A certified debt specialist is defined as an individual certified by a training program or certifying organization, approved by the Commissioner, which authenticates the competence of individuals providing education and assistance to other individuals in connection with debt settlement services. NRS 676A.80.

Approved organizations are listed below. This list may be updated periodically.
