

Licensed Family Trust Company  
Small Business Impact Questionnaire  
(Response Requested by April 1, 2016)

The Nevada Financial Institutions Division (NFID) is planning to promulgate regulations in support of NRS 669A governing Licensed Family Trust Companies and will hold a workshop in the near future in order to begin the process.

The following questions pertain to how new language to the Nevada Administrative Code, LCB File No. R051-16P, regarding Licensed Family Trust Companies will affect your business. If it is determined that the proposed regulatory language is likely to impose a direct and significant economic burden upon a small business, or directly restrict the formation, operation or expansion of a small business, the Financial Institutions Division can take any of the following actions:

1. Insofar as practicable, consult with owners and officers of affected small businesses
2. Consider methods to reduce the impact of the proposed regulations; and
3. Prepare a small impact statement and make copies of the statement available to the public at the workshop conducted and the public hearing held pursuant to Nevada Revised Statutes (NRS) 233B.061.

Please answer each of the questions that apply and add any qualifying remarks that may help us to understand your position. Please mail, FAX or Email your completed form by April 1, 2016.
