REQUIRED DOCUMENTATION

1. Report of Agency’s Financial Standing

Pursuant to NRS 649.345(1)(e) and NAC 649.081, provide a *report of the agency’s financial standing* for the Annual Report year ended December 31st or current fiscal year end, which must be prepared by a licensed Certified Public Accountant (CPA) in good standing in the state where the Annual Report is prepared. At a minimum, the *report of the agency’s financial standing* must include:

- 1) A signed and dated letter written on letterhead reflecting that a CPA in good standing “prepared” the report of financial standing,
- 2) A Statement of Assets, Liabilities, & Owners’ Equity [balance sheet], and
- 3) A Statement of Operations [income statement or profit & loss]. A CPA prepared “modified” compilation that is not a full GAAP engagement, (i.e., without the cash flow statement, the statement of shareholders’ equity, and notes to the financial statements) is acceptable.

If the agency is majority owned by a parent company, then complete audited, reviewed or compiled financial statements of the parent may be submitted instead – include verification of the parent/subsidiary relationship. If the agency or its parent is a publicly traded corporation reporting to the SEC whose financial statements can be found online, then a detailed note indicating such is acceptable.

2. Trust Account Bank Statement(s) & Trust Account Reconciliation

Pursuant to NRS 649.345(1)(b), enclose a copy of the trust account bank statement(s) along with a copy of the account reconciliation for the month ended December 31st or current fiscal year end of the Annual Report year for each trust account established to collect funds for Nevada clients/customers/creditors, whether other client’s collected funds are/were included in the trust account, and whether it incurred any Nevada client activity or no activity during the Annual Report year. A computer print-out of all trust account reconciliations is preferred; otherwise, complete the reconciliation schedule below for each trust account. On the schedule below, the *Adjusted bank balance at December 31st or current fiscal year end, must agree to the *Adjusted G/L or checkbook balance at December 31st or current fiscal year end.
