RE: Notice of Transition to the Nationwide Multistate Licensing System (NMLS) for all Nevada Installment Loan Companies

Beginning on January 2, 2022, the Nevada Financial Institutions Division (NFID) began transitioning all non-depository licenses to NMLS. The Installment Loan Company licenses will begin their mandatory transition starting in July of 2022.

On July 1, 2022, all current installment company licensees will be able to begin their transition on NMLS. Your current license number (e.g. IL99999) will be used as your transition number with NMLS. It is important to use this number as your license number to avoid the NMLS charging an application fee. **All current licensees must transition their license to NMLS no later than September 30, 2022.**

Note: If your company is not currently registered in NMLS, you should begin the registration process as soon as possible to prevent delays in your transition later this year.

Please note that any pending amendments (i.e. address changes, name changes, etc) must be approved prior to the company's transition to NMLS.

The NMLS website (<https://nationwidelicencingsystem.org>) provides step-by-step instructions on how to access the system and guides on how to complete the required forms. It also includes the transition checklists, tutorials, and other helpful resources.

Starting July 1st, the company will be able to access the transition checklists in NMLS. These checklists will provide details on exactly what is required to complete the transition of your license to the NMLS system.
