

Chapters 604A and 675  
Small Business Impact Questionnaire  
(Response Requested by March 28, 2025)

The Nevada Financial Institutions Division (NFID) is planning to promulgate regulations to support dual licensure for Nevada Revised Statutes (NRS) Chapter 604A and NRS 675 lenders. The first step is for NFID to receive input from small businesses regarding the adverse and beneficial impacts the proposed regulations may have on those small businesses. NFID will then hold a workshop(s) in the near future to continue the rulemaking process.

The subjects for the proposed regulatory language are as follows:

1. Establish framework to allow dual licensure of an NRS 604A and NRS 675 licensee.
2. Provide other matters properly relating to the regulation of dual licensure.

The following questions pertain to how the new language to the Nevada Administrative Code (NAC) will affect your business. If it is determined that the proposed regulatory language is likely to impose a direct and significant economic burden upon a small business, or directly restrict the formation, operation or expansion of a small business, the Financial Institutions Division can take any of the following actions:

1. Insofar as practicable, consult with owners and officers of affected small businesses;
2. Consider methods to reduce the impact of the proposed regulations; and
3. Prepare a small impact statement and make copies of the statement available to the public at the workshop conducted and the public hearing held pursuant to NRS 233B.061.

Please answer each of the questions that apply and add any qualifying remarks that may help us to understand your position. Please mail or email your completed form by March 28, 2025 to:
