Section 7 of this regulation prohibits a licensee from engaging in the business of a private professional guardian unless, in addition to satisfying all other applicable requirements, the licensee possesses all applicable state and local government licenses, registrations and permits and the place of business of the licensee complies with all applicable planning and zoning ordinances. Section 8 of this regulation requires a licensee or an applicant for the issuance of a license to engage in the business of a private professional guardian to notify the Commissioner within 10 days of a change in certain information.

Section 15 of this regulation establishes certain requirements concerning a request for approval and licensing to operate a branch office outside this State.

Section 16 also authorizes the Commissioner to revoke any such approval at any time if the Commissioner makes certain determinations.

Section 17 of this regulation establishes provisions concerning the situation in which an unlicensed person engaged in the business of a private professional guardian fails to appear at a hearing provided to the person without obtaining a waiver of appearance or requesting or being granted a continuance.
